FEBRUARY BREAK

Kids' Workshop

Ages 6 - 12

February 21 - 24 • 10 am - 12:30 pm

Create and learn with The Hyde Collection and its exhibitions. Let your little artists make their own masterpieces inspired by animals and the wildlife creations of famed watercolorist Allen Blagden.

Using art as a tool for learning, kids will explore taxonomy, adaptations, and biomes with our Museum Educators. A variety of art mediums will be used to create a cumulative masterpiece incorporating the themes of each day. Every day, kids will think, play, and create.

Register by contacting Colette at 518-792-1761 ext. 310 or adminassist@hydecollection.org

\$60 for Hyde members / \$80 for non-members (all supplies included)
