

HOBY
Hugh O'Brian Youth Leadership

What is HOBY?

HOBY's mission is to inspire and develop our global community of youth and volunteers to a life dedicated to leadership, service and innovation.

HOBY programs provide students selected by their schools to participate in unique leadership training, service learning and motivation building experiences.

Who is this for?

High School sophomores from across the country.

When and where is our leadership program?

SUNY Oneonta

June 2, 2017 – June 4, 2017

Why attend?

HOBY allows students to recognize their leadership talents and apply them in becoming effective, ethical leaders in their home, school, workplace and community. Students attend seminars and participate in hands on leadership activities, meet leaders in their state and explore their own personal leadership skills while learning how to make a positive impact in their community.

How do I apply for consideration?

You need to submit a typed, 200-300 word essay on the following topic:

Please describe both the most rewarding and the most challenging aspect of being a leader in your school and/or community.

Students interested in applying also need to submit a typed resume highlighting their involvement in community service.

Once these items have been received, an interview will take place as the final component of the application process.

Your essay and resume are due to Mrs. O'Brien in Student Services no later than March 1, 2017!
