### Welcome Back! What's new this year?

- Please note breakfast and lunch prices have increased by \$0.25 to keep with rising food costs.
- Students qualifying for reduced breakfast/lunch are no longer required to pay! New York State is covering the \$0.25 copay beginning this school year.
- **WE LOVE LOCAL!** As part of a New York State farm to school initiative, Schuylerville will be offering lots more NY products on our menus this year. Keep an eye out for new items and recipes, such as grape juice made from NY grapes
