SCHUYLERVILLE CENTRAL SCHOOL DISTRICT ACCEPTABLE USE OF TECHNOLOGY STUDENT/PARENT AGREEMENT FORM

Schuylerville Central School District is committed to providing existing and emerging technologies to foster a creative and collaborative learning experience for all students. In order to provide a safe educational environment, we ask all students and parents to please review the District's Acceptable Use Policy which can be found on our website under the Technology section or directly at <http://www.schuylervilleschools.org/Technology/Technology.cfm>. If you do not have access to a computer, please contact either building to have a paper copy sent home. Once you have read the policy, please have both student and parent sign this form and return it to the Computer Services department located on the lower level of the high school.

Any student who has not returned a signed form will forfeit their network privileges until one is returned to school. Thank you in advance for your cooperation as we work together to make emerging technology available to our students within a safe environment.
