The Schuylerville Central School District has developed a cost effective insurance program for our families to prevent the cost of total iPad replacement in the event of damage. We are able to offer insurance to all families at no cost! In the event that the iPad is damaged, lost or stolen under this plan, restitution will be expected as follows: **If the total damage to the iPad is less than \$300, we will ask for restitution of \$50. If the iPad is lost, stolen, or sustains significant damage in excess of \$300, we will ask for restitution of \$100. Unreturned/damaged/non-original chargers will result in a \$50 charge.** It is important to remember that the school has the ability to track the GPS location of each iPad and remotely control access to each device. In the event of loss or theft, it is very important to notify school personnel quickly. The school district will treat a lost iPad as stolen and will support the authorities in tracking the device with our remote access.
