Welcome Back! What's new this year?

Breakfast is now grab & go. Students will fill a bag with their entree, fruit, juice, and milk choices, then take it to class to eat.

We are continuing our efforts to expand the district's Farm to School program. Schuylerville was part of a recent grant allowing Pitney Meadows Community Farm in Saratoga Springs to grow fresh vegetables for us and we're excited to serve them this fall!

Please bear with us as we get "back to basics" these first few weeks of reopening. Choices may be limited and menu is subject to change depending on product availability. A la carte sales will only be available to middle school students. Elementary school students may still purchase doubles or milk only, but these must be preordered with their teacher in the morning.

Student safety is our top priority and please be assured we are doing everything possible to continue serving nutritious, delicious food every day!
