## Class Rank

All students are ranked in September and March of their senior year. All courses are included in the calculation

of student grade point averages, with the exception of Physical Education. No weighting system is used for advanced academic work.

**September Ranking:** Based on three complete years of academic work (quarterly averages and final exams).

**March Ranking:** Includes data from September GPA plus three quarters of academic work from a student's senior year. This calculation is used to post final class rankings.

## Marking Periods, Credit & Grading

Four marking periods comprise 180 days of instruction; each marking period is 10 weeks in length. Credits are awarded on an annual basis with one unit being awarded for successful completion of the 180-day academic year.

## 2020-21 Hybrid Schedule

For the 2020-2021 school year, Schuylerville CSD is operating on a hybrid schedule with a combination of in-person and remote learning. Using an alpha breakdown, students are on campus for in-person learning two to three days per week on a rotating schedule. Our grading system remains the same.
