

Jonathan Foster Memorial Theater Arts Award Given by Home Made Theater

Home Made Theater will offer an award of \$500 to a graduating senior who will pursue courses in Theater Arts - either as a performer or on the technical level.

The student needs to have demonstrated an active interest in their area and should submit the following:

- A list of activities in this area, including clubs, classes and performances which the student has been involved in for the past three years.
- Two letters of support, preferably from people within the discipline in which the student is applying.
- A high school transcript.
- A letter written by the student that includes pertinent information on their goals, the schools to which they are applying, the course of study they intend to pursue and other information which may offer important criteria in the selection process.

The above listed information should be mailed by April 15, 2021 to:
