(snow day April 20)

Tuition: \$150 per student

Anatomy of a Comic Book / Saratoga Children's Museum

Gr. 3-6

We will put your creativity to the test as we develop characters and story lines best suited for your comic book creations. We will learn how to story board ideas, illustrate characters, and letter your own graphic margins in order to create your very own comic book.

Contraptions / Mr. Jacko

Gr. 4-8

A Monster Truck Rally...Design it, Construct it, and Power it! We will start the class designing and building a car out of wood using real tools. We will then learn how to power your unique creations using small electric motors, rubber bands, balloons, or sails, you decide! The class ends with an epic car race!

Get Wild / Wilton Wildlife Preserve & Park

Gr. 3-5

Explore the unique plants and animals of the Sandplains ecosystem. Dissect owl pellets, use marshmallows to build beaver lodges, create your own clay bird, touch real skulls and furs, and design your own eco t-shirt. Don't miss out on this wild series!

Halfway Homemade / The Chocolate Spoon

Gr. 4-8

Learn to create delicious baked treats using a few shortcuts to help save time, not taste! We will turn fast, easy recipes into beautiful indulgences. At the end of each session we will explore the business side of baking and talk about marketing, packaging and profit. Brownies, cupcakes, hand-pies and fun are all on the menu!

Introduction to Chocolate Making / Saratoga Chocolate Co.

Gr. 3-6

Inspire young minds with the magic of chocolate! Taste and play while we learn about this amazing, versatile and delicious "food of the gods." From hot chocolate to lollipops, make-your-own-truffles and everything in between, kids will go home with a delectable dessert every night!
